Visual Studio Community 2015 - Free

Visual Studio Community 2015 is a free, full-featured IDE with powerful coding productivity features, cross-platform mobile development tools for Windows, iOS and Android, tools for web and cloud development, and access to thousands of extensions. This edition of Visual Studio is available for free for individual developers, open source development, academic research, education and small professional teams. After installation, check out the Visual Studio Gallery. It provides quick access to tools, controls, and templates to help you get the most out of Visual Studio.
